

COMMUNICATION No. 2

Below are the latest updates for all participating Nations and we ask for a special attention to **point 1 - HOTELS**.

1. Hotels

As informed previously in our Communication nº 1, we inform that Porto Salvo and the nearest city, Oeiras, are locations with a high request for business events in September and we are aware that several Congresses are scheduled in some of the Official Hotels at the same time of the European Championships!

So, it is very important that all Teams make the booking before the deadline, on 31-07-2013.

It is also important that the Teams make the booking through the Organizing Committee, to have the special price and to have access to the bus transfers from Hotel to Venue and back, during the European Championships.

Please be advised that after the deadline, the rooms booked by the Organizing Committee will not be kept by the Hotels and the rooms may not be available for the Teams to book them.

Also, if this happens, the Organizing Committee will not be responsible for the booking anymore and, consequently, the transport from the Hotel to Venue will not exist to the Teams who didn't arrange their hotel reservations in time.

NOTE FOR THE TEAMS WITH NATIONAL CHAMPIONSHIPS TO BE HELD IN JULY AND AUGUST

If your Team cannot be chosen yet, because your Federation hasn't made the National Championships, at least we ask you to inform us when you are capable to do so and also to inform us a prediction of the number of rooms you want. With this information we will be able to make a pre-booking in order to guarantee the rooms for everyone.

If your team already booked the hotel through the Organizing Committee, please remember to make the payment until 31-07-2013.

Please take into consideration that the same conditions are offered to relatives and companions, if booked through the Organizing Committee with transfers to the venue included.
