**EUROPEAN CHAMPIONSHIPS FOR SHOW/PRECISION**  
**MODENA – ITALY, 2-4 MAY 2013**

We have just held the European Championships for Show/Precision in Modena, which was a very successful event for all concerned.

The standard of the Teams was excellent, and in particular, Quartet, Small Groups, and Large Groups where very high marks were awarded for excellent programmes.

Although the entries were down on last year, the quality was higher which was very satisfying for the public. There were around 2,500 people in the Stadium, which held 3,500 and the atmosphere was great.

Thank you to all the countries who participated, thank you to the Organiser, Franco Culcasi and his team who were always friendly, helpful and efficient, held in an excellent Stadium with a white floor which looked like an ice rink, and it was televised on Rai Sport.

Thank you to everyone, including the Officials who had a very difficult job
